OR

Your company, Kapan Housing, is planning to buy a generator to supply electricity to its residents. You are asked to study the market about generator and present a short (memorandum/letter) report with recommendation. You studied the market and found 3 companies namely Honda, Yamaha and Hyundai providing quality generators. You found Honda the most cost effective in comparison to other two. Now write a report to the general manager.

18. **Read the given case intensively and answer the questions that follow.**
Netflix started as an online movie rental business back in 1997, providing services in the United States only. Today, it has become one of the world's leading streaming entertainment services with 183 mln paid memberships over 190 countries, providing TV series, documentaries, and feature films across various genres and languages (Netflix, 2020). Its online streaming services allow members to watch as much content as they want, accessing content anywhere and anytime on any internet-connected device. In addition to partnering with content providers to license streaming rights for various TV shows and movies, the company also produces its in-house, original content (Netflix, 2020).

Netflix is a publicly listed company that went public on May 23, 2002, with an initial public offering (IPO) price of \$15 per share. It was the best-performing stock in the S&P 500 from 2010 through 2019 (Investopedia, 2020). Netflix has been ranked 47th on the Forbes list of —Top 100 Digital Companies of 2019, it has also been ranked 38th on —World's Most Valuable Brands 2019 and 431st on —GLOBAL 2000: The World's

Largest Public Companies (Forbes). Although its services reach members globally, Netflix is headquartered in Los Gatos, CA, and has 19 office locations across 14 other countries (Craft, 2020).

Questions:

- a. Critically analyze the entry modes of Netflix into international markets.
- b. What sorts of strategies can Netflix adopt to keep its rank under the top 10 in the world?
- c. What do you think are the major factors behind the success of Netflix in the present context?
